EXTRACURRICULAR ACTIVITIES

School Youth Volunteer Team — Vinh, Vietnam
President — Sep 2024 - Sep 2025

- Started as a member in 2023, I demonstrated my leadership skills through different projects so I was promoted to be the President.
- Led 50 members to execute charity projects to support vulnerable communities in my hometown.
- Led "Cùng Em Tới Trường" and "Tết Trao Yêu Thương" projects, donating over 700 supply boxes, 10 bookshelves, 6 bicycles, and 100 gift sets to children in remote areas of Nghe An province.
- Raised 5 million VND in contributions toward a 200 million VND fundraising goal for the "Cùng em tới trường 2025" project, supporting students' access to education.
- Coordinated the collection and delivery of necessities and traditional "chưng" cakes for orphans at Teresa Orphanage, Nghi Loc, as part of the "Tết Trao Yêu Thương 2025" project.
- Coordinated with local authorities, sponsors and school representative to execute projects.

KC STEME Club — Vinh, Vietnam
President — Sep 2024 - Sep 2025

- Led 20 members to organize the STEM Day event in December 2024, which showcased scientific experiments and knowledge to instil passion for science in students.
- Host weekly "Ring the Golden Bell" quizzes session to foster learning and engagement among members.

KC Chess Club — Vinh, Vietnam
Head of Finance — Sep 2024 - Sep 2025

- Sought sponsorships and managed budgets to support club's tournaments. Through this role, I enhanced my negotiation, communication, and financial management skills while promoting strategic thinking and passion for chess within the school community.

Roblox Game Creator — Chil Crew Studio — Feb 2023 - Present

- Collaborated with 6 members to found the Chil Crew Studio to develop the game ideas and execution plan.
- Created "Help Ronaldo Win the World Cup and Silence Messi!", which is a Roblox game, with over 400 visits and 100% positive votes. Using Lua programming language and Roblox Studio, the game entertains players while improving my teamwork, coding, and design skills.
- Currently working on the next project "Every Game In One Tycoon!", which is set to launch in March 2026.
